

Car Commission and Lower Auto Loan Rates

Most other financial institutions pay the dealer a commission for your loan. At TransWest, we prefer to pass that benefit on to our members. When you qualify for an auto loan with us, we pay you 1% of your loan up to \$300 and we offer the LOWEST rate at 3.65% APR*.

If you would like one of our Loan Officers to contact you fill out the information below. With just a little information, we can usually give you an idea of what you'd save in just a few minutes.

*Rates may vary depending on term and credit score.
